RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT

Continuity data on the Filing Receipt mailed on 10/16/2000 included information copied from the prior applications. The format had to be changed in order to enter all of the continuity applications. Specifically, since you indicated that the continuity was incorrect, data from the prior applications could not be copied and had to be entered manually. In order to enter the applications manually, no duplicate entries are allowed. As a result of this, the phrase "WHICH IS A CON OF 08/942,802 10/02/1997 PAT 6,018,705" could not be entered after each occurrence of 09/364,559. I could only enter the application once, which is sufficient.

Sincerely,
